

K L A T O R

- 
- A night sky with the Milky Way galaxy and a building with lit windows. The building is a multi-story structure with a prominent corner, and its windows are illuminated from within, casting a warm glow. The sky is dark, with the Milky Way galaxy visible as a bright, greenish-white band of stars. The overall scene is a mix of natural beauty and urban architecture.
1. LOVE THEME FROM KLATOR
 2. 'SURFING ON SATURN WITH SUN RA
 3. SET THE CONTROLS FOR THE HEART OF THE SUNRISE
 4. KICKING THE TIRES ON THE SPACE SHUTTLE
 5. R2D2'S WEDDING NIGHT
