

we shall be one
we shall be one
we shall be one
we shall be one
we shall be one
we shall be one
we shall be one
we shall be one

small life form
we shall be one

you sound like you have something to say
stay out of my head
i am not sure we speak the same language
now i understand all the things that you mean
we shall be one

(C)+(P) Amerse Music, BMI 2013
source sounds were microphone feedback & pitch pipe
