April 2014

I called my mother  
with the news.

I'm pregnant.

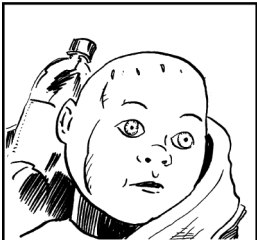

*I'm having a daughter.*

I thought it was  
something  
we could bond over.

Something  
to heal the past.

She told me  
to get rid of it.

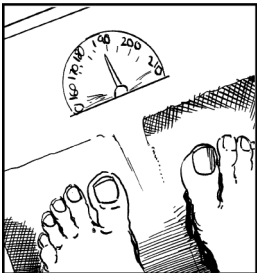

That it's a mistake

WHAAH

A baby will ruin my life.

& my body

Does she even realize  
what she's saying?

That she's saying  
I'm a mistake.

That she wishes  
she never had me.

That she wishes  
I'd never been born.

I'm not a teenager

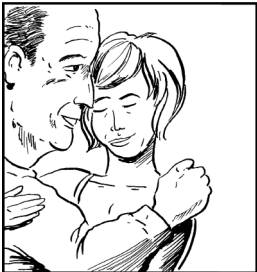

I'm a grown woman.

I'm married...

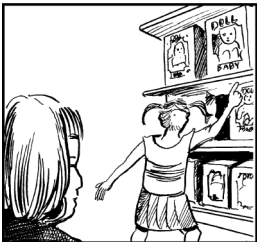

...to a good man.

I know she had  
a hard time.

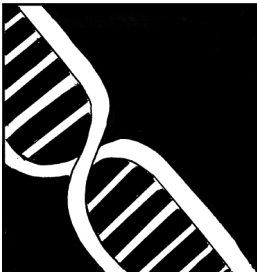

I know I ruined her life.

But I thought  
I was worth it.

At least in hindsight.

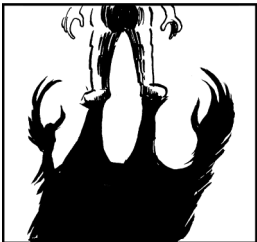

She's my mother

& I love her

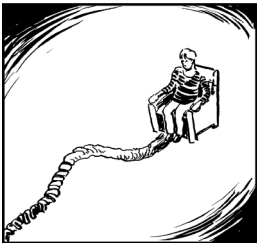

But if this is how  
she really feels.

How much  
she resents me...

...if she can't even  
fake it on the phone...

...I can't have her  
in my life.

This is the happiest  
time of my life.

I won't let her take it  
away from me.

I won't let her  
destroy me.

I'm not the same  
person she is.

I'm me.
