

Promute: Origins

story:

The Creative Designer

words:

Brian John Mitchell

artwork:

Andrew Sandor

His childhood was
typical of his ilk.

With both good
times & bad.

But somehow filled
with a drive to escape.

A sense of hope.

A hope for the future.

The military seemed
a sure way out.

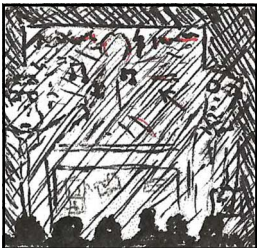

A good idea.

At least until Germany.

Until the experiments.

They wanted a
perfect soldier.

They weren't sure
how to make one.

They used pills
& injections.

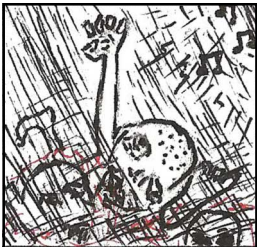

& of course electricity.

Some had their
bodies break.

Others had their
minds break.

One managed to
survive.

Thanks to the sound.

The sound in
his brain grew.

Spilling out of his body.

He bided his time.

Found his way out.

With his perfected
weapon.

With his sound.

He is Promute.
