Something is wrong.

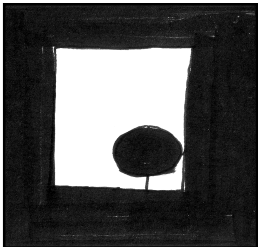

I'm not supposed  
to be alone now.

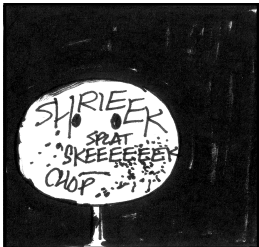

Something is wrong  
with my past.

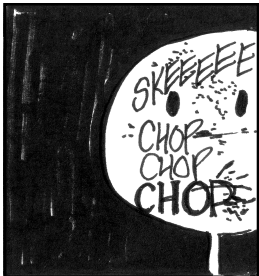

I need to figure  
things out.

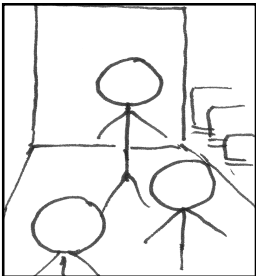

My brain has  
been altered.

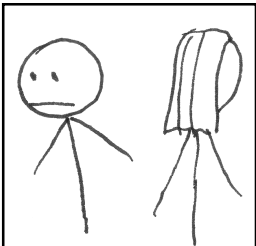

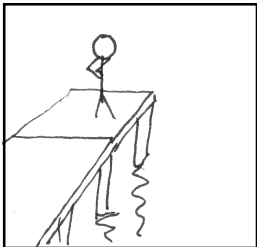

This is wrong.

Where do I belong?

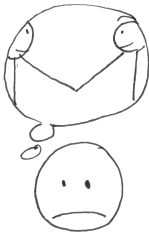

Where am I supposed  
to be right now?

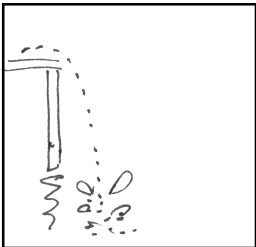

I always end  
up at the pier.

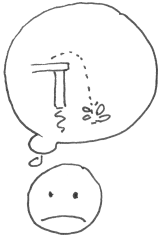

The clues are  
locked in this brain.

Why can't I figure  
things out?

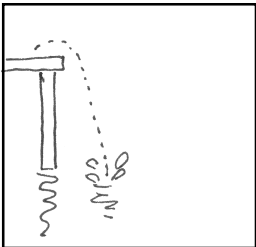

There's something  
about this pier.

I can't remember if it's  
from the past or future.

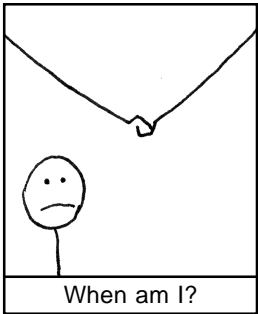

Something is supposed  
to happen here.

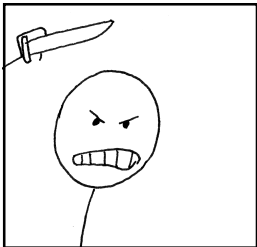

I'm shifting again.

When am I?

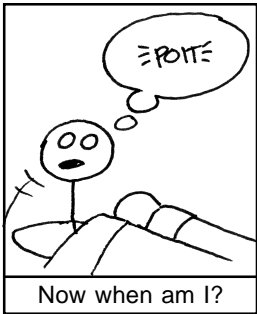

Why am I this angry?  
Why can't I control it?

Oh God, what am  
I about to do?

SHRIEEK!  
CHOP!  
SLICE!  
STAB!  
PUNCTURE!  
DISEMBOWEL!

Now when am I?

Is this right?

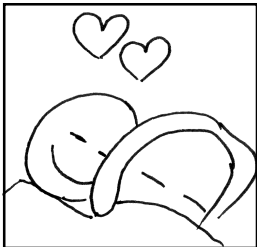

It seems perfect.

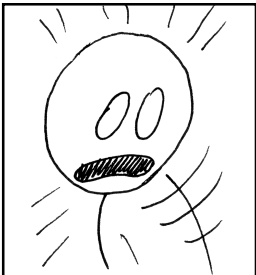

Things are right.

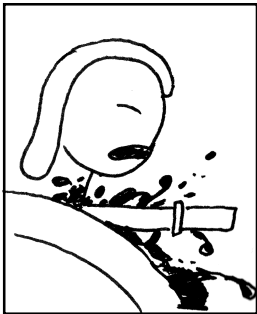

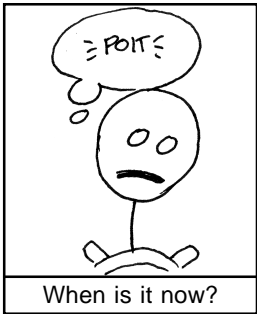

Everything is good  
with the world.

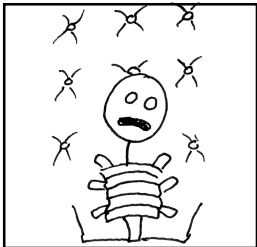

Oh, crap....

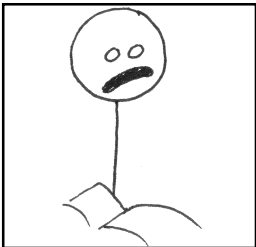

I can't fix anything  
from here.

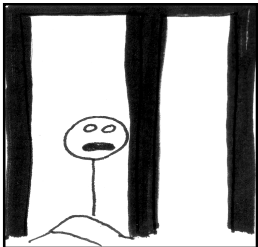

I keep making  
things worse.

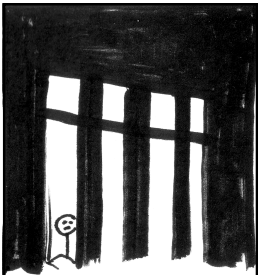

I should stop  
fighting things.

I should follow  
God's channel.

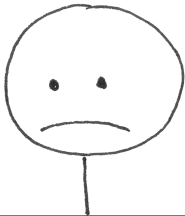

I don't want to  
hurt anyone.

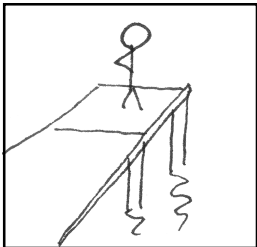

I just want some peace.

This is it.

This is my moment.

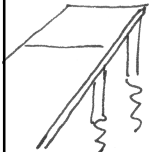

I know what the  
pier is for.
