

Silber Hearts Mom. Does Mom Heart Silber?

- Yes!!! 😊
- No!!! ☹️
- Maybe!!! 😐

Here at Silber mothers have always had a special place in our heart. So we're happy to finally get a compilation together to pay a little bit of the tribute mothers are so dearly due.

Everyone has a different style of song to show their love from heavy metal (Wrong Brothers) to post-rock (Glissade, Electric Bird Noise) to noise (Moral Crayfish) to simply acoustic guitar (Remora). While most went the instrumental route, the songs with vocals by Plumerai & Miss Massive Snowflake show the tongue-in-cheek comedy that we all use to tell our moms we love them.

So maybe you should stop reading this & call your mom & tell her you appreciate her.
