

Lotte Kestner

“A Silber fan told me about Lotte Kestner. The next day I found myself asking Anna-Lynne to let me release a record.”

~ Brian John Mitchell, Silber Records

Lotte Kestner is the solo project of Anna-Lynne Williams (Trespassers Williams). A cross between *White Chalk* era PJ Harvey & early Joan Baez, she sings songs that would be equally at home on a beatnik's record player, a hippy's 8-track, or some hipster's iPod. Minimal, sparse, majestic. Guitar & voice tell stories of hope for love & loss of love & the difficult navigations of human relationships. Stories of personal solitude. We all have our own unique lonelinesses; but it's not tragic & you're not alone, Anna-Lynne will sing tra-la-la-la with you.
