

# fornever *numbers*

Maybe you've seen fornever's name around on some of the Silber compilations of the past like Silber on Silber & White Silber, at any rate fornever is Joshua Heinrich.

Take some of the dark rooted pop of the 1980s like Depeche Mode, The Cure, & Sisters of Mercy & throw in a dash of Soul Whirling Somewhere making a dance record & you get where fornever is coming from with a five minute EP called *Numbers* that would work to kick off a goth night in any decade.
