

# Carl Kruger

## *Sexist Tranny*

Like most artists associated with Silber, Carl Kruger came to us first through friendship. He's an experimental show promoter in Wilmington, NC. He's half of the band Caucasians (with his wife Alli). He's the sole operator of the noise blog Static Fantic. Basically a super hardworking dude spreading the word about the noise community.

On *Sexist Tranny* Carl Kruger densely layers field recordings & manipulates them with a laptop to make noisescapes varying from soothing to caustic. This record is not for everyone. It is experimental noise in the tradition of the Mego label. If you're not scared off, dig in for a treat.
