

# Lost Trail

## *Rural Entropy EP*

Consisting of husband & wife Zachary Corsa (guitar, synths, piano) & Denny Wilkerson Corsa (field recordings), Lost Trail has been a juggernaut putting out over 50 releases of minimalist ambient, drone, & post rock in the past five years on over a dozen labels. As a North Carolina based project, we're super pleased to have them accept the 5 in 5 challenge for their first contribution to Silber.

***Rural Entropy EP*** showcases what Lost Trail does so well. Cinematic sketches for unmade films from murky underwater depths or abandoned cities of the future. Close your eyes to make your own short films.
