

Matteo "NonMiPiacellCirco!" Preabianca A Kind of World

Terms like outsider music or oddmusic might be appropriate, but it is a misnomer to call Matteo "NonMiPiacellCirco!" Preabianca's music experimental, because everything about it is intentional. Sonic sketches invoke memories from another reality on *A Kind of World* through found sounds, chimes, & spoken words. To describe it takes longer than to simply experience it.
