

# Lost Trail Winter EP

Consisting of husband & wife Zachary Corsa (guitar, synths, piano) & Denny Wilkerson Corsa (field recordings), Burlington, NC's Lost Trail has been a juggernaut putting out an average of a release a month of minimalist ambient, drone, & post rock in the past five years on over a dozen labels.

On *Winter EP* you have a collection of sounds evoking the season, from minimalist meditative moments of a snowfall to the crushing ambient wall of dread of being lost in a snowstorm. Listen up & bundle up to keep warm.
