

Silber is pleased to present

DREAMDAZZLER

by

AZALIA SNAiL

a 5 in 5 series

Silber is pleased to announce the return of indie rock veteran & lo-fi queen AZALiA SNAiL to Silber with her sound culled from influences as diverse as 60s psychedelic pop & soul, 70s movie soundtracks, Eno ambient, punk, spacefolk, glitter, & free jazz. Read her full story on Wikipedia - https://en.m.wikipedia.org/wiki/Azalia_Snail

The latest delectable little noise pop jam from AZALiA is DreamDazzler & was recorded in the spring of 2016 & engineered by Dan West (her partner in LoveyDove). Be dazzled by the dreams of toys taking over the cities once ruled by humanity.
