

Shane de Leon (Miss Massive Snowflake) is back to Silber with his long time friend Jamie Smith (Danghead) & together they are Dusty Tears. Recorded by Smith when de Leon was on a tour stop for Miss Massive Snowflake, *Internet Hits* really captures one of the great things the 5 in 5 series can do. You have an afternoon of downtime as a musician on tour? Hang out with a pal & make something. Part punk, part lo-fi pop, & part experimental streams of consciousness, this pretty much captures how a mind works after long drives, sleeping in the van, & living the rock & roll daydream.
