d'Animal l'Ogic

*A pop stylist of rare quality, one whose originality & intimate involvement with music guarantees any listener soul deep satisfaction.*

~ Jonny Whiteside, LA Weekly

d'Animal is Dan West. He first came to Silber with his appearance in the 5in5 series with Expression Compression back in 2013 & we're glad to have him back for the full length album *d'Animal l'Ogic*. This is a poppier spin on the Silber style & we're excited to have it in our catalog. Combining both timeless 1960s psychedelia & ahead of its time experimental pop, *d'Animal l'Ogic* fits in at the party whenever the collective time machine crash lands in a post modernist pop paradise. Once you've arrived in d'Animal's dreamland, remember to fall asleep & wake back up, wake back up & fall asleep in order to catch the many fleeting colors & shades, skews & hues, lines & designs that propel his music forward.
