

Baptizer is noise & drone & power electronics & industrial & southern & anti-modern & Christian & intense. We get it; it's not for everybody. It's music by & for those who feel trapped in the wrong place in space & time. A nightmare, a dream, or a world of its own. If you can imagine Phillip K Dick & Ezra Pound & Saint Ignatius of Loyola collaborating & collaging & colliding, you won't be far off the mark. Enter the caverns & be saved from the modern world by the hands of Baptizer.
