## CLOSE YOUR EYES

The story of Rowland Yeargan working with us at Silber is as simple as it is rare. Labelhead Brian John Mitchell went to a 919 Noise Showcase to see Slicnaton & Yeargan was playing his first live solo show using a super simple synthesizer, a couple pedals, & an amplifier & blew him away. Mitchell told him about the 5in5 series & that he was more than welcome to work with Silber & Yeargan replied, "Silber Records? Clang Quartet's label? Clang Quartet changed my life!"

With a background as a rock drummer, on *Close Your Eyes* Rowland Yeargan creates 5 sonic vignettes to illuminate one's immediate experience in an immersion of ambient drone. Sink into the sounds & be purified by the sonic ocean.
