all songs written & performed by Remora. C & P Amerse Music, BMI

special guest vocals by Eric Shonborn on "I Came To Party"

"I Came To Party" inspired by "Dune Buggy" by Electric Bird Noise  
"Girl I Wanna Date You" derived from "Girl I Wanna Date You on the  
Surface of Mars" by Jawharp Rich & The Platinum Tits.

Thanks to all the fans for helping secure Remora's spot in history as  
one of the south's premier post rock party bands.

These songs wouldn't have been possible without the help of  
Brian Lea McKenzie, Michael Charles Wood, Bryce Clayton Eiman,  
Andrew Weathers, Gavin Bouma, Ben Link Collins, & Jawharp Rich.

WHY DID YOU COME HERE?  
WHAT IS YOUR PURPOSE ON THIS PLANET?
