SCARS BRING HOPE

Bring on your legions  
My blood won't spill  
My fight is good  
I will not yield  
With my Brother's guns & knives

Protector of Builder of Airplanes  
 E3, E5, E7, E9 / E13, E15  
 A3, A5, A7, A9 / A13, A15

The things I do for money  
 The things I do for this man  
 I used to do for myself  
 Before I sold my saw

~~Before I sold my name~~  
 Before I lost control

So now I may be nothing  
 But I'll always be more than you  
 Because I'm still alive  
 With my guns & my knife

I am the future  
 Of this nation  
 I sold my soul to the lord  
 He will grant me salvation  
 For twenty pieces of silver  
 You will die on the floor  
 For twenty pieces of silver  
 You will face your damnation  
 Keep your eyes on the door  
 Prepare to face your lord  
 He is the builder of airplanes  
 I'm his protector  
 For twenty pieces of silver

So I will die for this man  
 He is the builder of airplanes  
 I'm his protector  
 For twenty pieces of silver

We Come from the sea

We come from the sea  
 Yeah we come from the sea  
 We walk on the land  
 More fish than man  
 We take your form  
 We eat your sweet bread  
 We come from the sea  
 Yeah we come from the sea

The legends of us  
 May have passed away  
 But in the sea  
 Our cities have stayed  
 The water for us  
 Is home not a grave we will rise up  
 The descendants of us we will not be your slaves  
 At the end of the world

We'll drag you back to the sea  
 We'll drag you in & we'll feed  
 We come from the sea  
 Yeah we come from the sea  
 Oh we come from the sea  
 Yeah we come from the sea

Walking on thin ice

The delicate future of man is  
 There's no hope, just decay there's just decay  
 Creation leads solely to chaos

Living on our lies  
 Consumed by the powers of man  
 Scars bring hope so they say  
 Temptation leads solely to chaos  
 Wisdom's wasted on the wise  
 For there is no future of man  
 There's no hope, just decay  
 Creation leads solely to chaos
