

Small Art Series: Professor Horton

In 1939 Professor Horton creates the first artificial man. But something is terribly wrong. When exposed to the open air, the mechanical man's skin bursts into flame. How will the artificial mind react to the fire & pain?

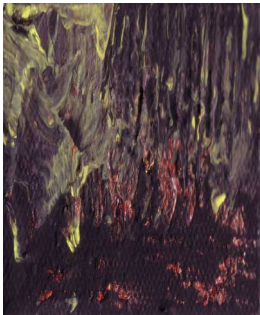

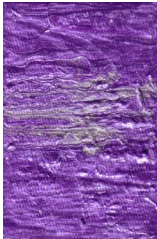

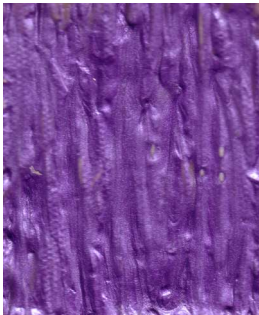

Small Art Series: Why Birds Sing

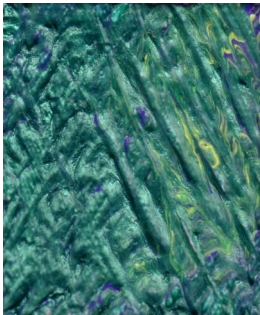

The things that shine.
All that glitters.
Things to attract a mate.
Things to use to build
a home.

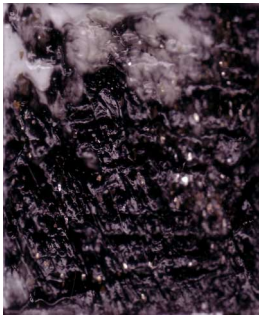

***Small Art Series:
miscellaneous***

Charles & Caril:

We will take on the
world. Kill anything
that gets in our way.
The future sings of
us.

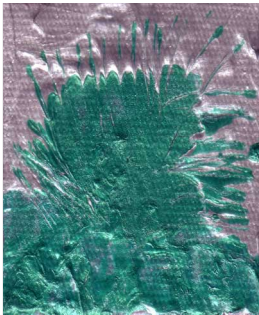

Childhood Ghost:

From the past
something comes.
To save or destroy me.

Splloosh:

The rocket crashed
into the sea.

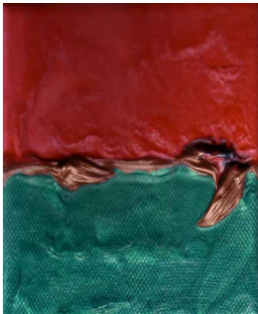

Metal Sky:

It burns out the sky as
they come. Everything
is gone. I choke.

I am a coward just
like I always said #5:

I am strong. There's
no reason for me not
to be victorious. I am
a coward just like I
always said.
