“We Are Vigilant”

story & words:

At night we are
predators.

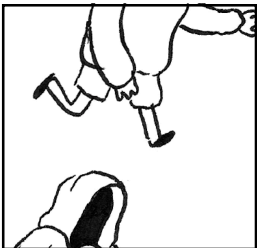

We're not the biggest...

...we're not the
fastest...

...but we are the ones
with the least to lose...

...which gives us a
natural edge.

A lack of fear.

A lack of consequences.

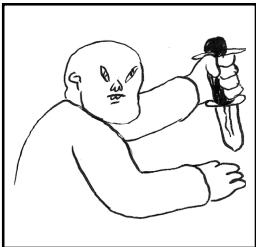

It more than makes
up for having nothing
to live for.

We fight for the others.

The ones who do have
something to live for.

We take the hits
meant for them.

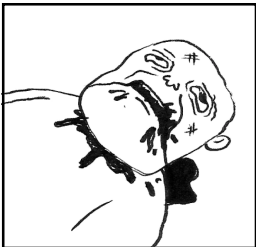

We give the hits
they can't.

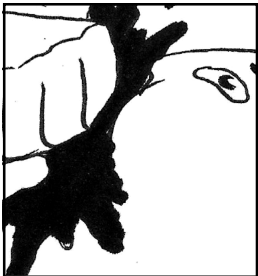

The hits people
don't get up from.

CRUNCH
CRACK
SMACK

The hits people can't
live with the guilt of.

The hits our culture
shies from.

The tougher they are...

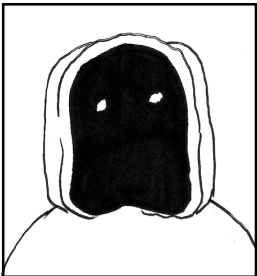

...the tougher we are.

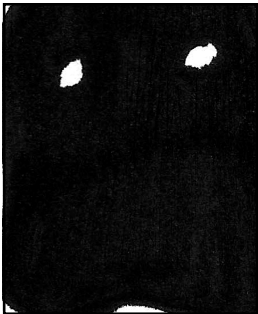

A mirror of justice.

Truth & light in the night.

We are vigilant.
